**How We Collect Information About You:** On behalf of Northwest Institute of Dental Sleep Medicine, Dr. Donald J Johnson, DDS; we collect data through a variety of means including but not necessarily limited to letters, phone calls, emails, voice mails, and from the submission of applications that are either required by law, or necessary to process claims or other requests.

**What We Do Not Do With Your Information:** Information about your financial situation and your medical/dental condition or treatment and care that we provide you, is held in strictest confidence.

We do not give out, exchange, barter, rent, sell, lend, or disseminate any information about our patients or responsible financial party, that is considered patient confidential, is restricted by law, or has been specifically restricted by a patient/client in a signed HIPAA consent form.

**How We Do Use Your Information:** Any personal information about your health or finances, including x-rays and chart notes, are only used as is reasonably necessary, to process your dental or medical claims. In addition, this information will be shared with medical or dental product or service providers, pharmacies, insurance companies, and other providers necessary to: verify your medical or dental information is accurate; determine the type of medical or dental supplies or any health care services you need. And to communicate the results of tests or findings to other health care providers on your behalf.

In the event your information is requested by law enforcement for any reason, your non-medical information can be given to legal authorities including police, investigators, courts, and/or attorneys or other legal professionals, as well as any other information as permitted by law.
